Dear Reader,

A few people with early copies of *The Astrology of Sahl b. Bishr Volume I* might not have the following corrections, which I made before it officially went on sale:

Location	Error	Correction
Editor's Introduction, p. 5, n. 9	Kennedy 2006	Kennedy 2004
Editor's Introduction, p. 24	(fl. 4 th Century AD)	(fl. early 5 th Century AD)
Editor's Introduction, p. 32	Added footnote after "division" (قسمة): "See for example Māshā'allāh's <i>Conjunctions</i> Ch. 7, 17 (in <i>AW2</i>), and <i>PN4 VI.2, 21-26</i> . See also the discussion in Brennan 2017, Ch. 11."	
<i>Introduction</i> , p. 52	non-reception	<non-reception>
<i>Introduction</i> , p. 63, Figure 19	Mars at 1°	Mars at 5°

I also added Chris Brennan's *Hellenistic Astrology: The Study of Fate and Fortune* to the Bibliography.

Sincerely,

Dr. Benjamin Dykes
